The Western NY Hockey Magazine will be hosting its 1st Annual WNY Hockey Expo at the Buffalo Niagara Convention Center on November 14-15, 2009. If you have access to the Western NY Hockey Magazine pick up a copy and you can read about it in the most current edition. Attached is a exhibit packet for Youth Hockey Associations. NYSAHA will be sponsoring a booth and President Joe Baudo has invited members of the American Development Model from USA Hockey to attend and participate. There will be other announcements coming in regards to a town hall type meeting that should be very interesting and a great opportunity for gathering information on and asking questions. Any interested parties may attend. Please feel free to distribute the information onto administrators, coaches, etc. within your organization. Looks as though this could be very informational.

Regards,

Gary Lebrun

Central Section President, NYSAHA

On November 14th & 15th, 2009, the Western New York Hockey Expo will be held at the Buffalo Convention Center. As a part of this event, there will be a USAH Level 4 clinic. The exact details are not yet available, but you will want to alert your coaches....many have been asking about when and where a Level 4 will be held in NY.
